

We would like to thank all of the staff, students, and parents that have made this evening possible. We would also like to extend a very special thanks to Melissa Kadri, Tammy Holland, and Jarrod Williams for all of their work on the scene and lighting. Lastly, to all of our building administration, secretaries, maintenance and custodial staff for their support through the planning phases, set up, and execution of this event, we couldn't have done it without you!
